Draft Board Lists Names Of All July 1 Registrants

Local draft board No. 103 issued, Monday, the list of the 21-year-olds who registered in this area, July 1. Questionnaires are being sent out by the board to the new men at the rate of fifteen a day.

These potential draftees have been given order numbers which have been integrated with the list of original draftees. A new man's name is inserted after approximately every 16 or 17 of last year's selectees.

The first new 21-year-old to be inducted leaves with the fourteenth draft call, August 4. He is a volunteer—Robert Hamlin, 27 Hillcrest drive. The four other men are Charles Edward Rader, 310 Hillside boulevard; William Anton Doss, South San Francisco; John Guastavino, Colma; and Lowell Wilbert Daniels, South San Francisco. Rader is also a volunteer.

Brigadier General Joseph O. Donovan, state director of selective service, said today that there will be no difference in treatment between the registrants of July 1 and those previously registered, "in any respect whatsoever."

"The 21-year-old men who registered on July 1 and whose order numbers were determined in the second national selective service lottery, July 17, are subject to the same rules of individual classification as the youths enrolled previously," he emphasized.

The director said induction calls affecting men in the July 1 registration probably will take place early in September. Approximately 41,000 men registered in California July 1; 750,000 in the nation.

The list of Daly City July 1 registrants is as follows:

Harold Schioldager, 467 Irving street; Phil Pearce, 31 Venice street; Cornelius Davison, 31 Park avenue; George Curry, 231 Os Olivos; Stanley Sheridan, 254 Woodrow; Frank Heinze jr., 60 Mateo; Charles Stratford, 1075 Anover; William Bellando, 45 Shakespeare; Albert Intaschi, 303 (Continued on Page 2)

Week At Camp Shadowbrook In Store For More Than Forty Boys, August 11

Forty-one young lads with a yen for the out-doors can hardly wait August 11 to roll around, because that's when they crowd into the bus and ride off to Camp Shadowbrook at Big Basin. Sixteen of them are being sent to local fraternal and patriotic organizations, while 25 are being taken by J. W. Marchbank. It is emphasized by R. L. Crane, who, as representative of the City Post No. 410, American Legion, is coordinator, that every boy must take a physical examination during the week of August in order to assure his being

CALLING ALL OLD ALUMINUM POTS AND PANS! DALY CITY HASN'T DONE ITS SHARE IN DRIVE YET - - -

Daly City's aluminum drive will be continued this week until Friday, according to Arthur Bodien, in charge of the collection.

The extension of time was made because "Daly City is behind in its aluminum quota," said Bodien. About 150 pounds of aluminum have been collected. The city has not yet been more than partly covered, due to a shortage of boy scouts, most of whom are away at camps.

All those who "wish to see Daly City give its proper share in the interests of national defense" may add their old kitchen utensils to the growing pile now to be seen in front of the city hall.

All the scrap will be weighed, and a memorandum will be prepared giving the weight and the location of the concentration point to which the aluminum

scrap was delivered. This memorandum will be sent to San Francisco.

After the scrap has been collected at the concentration points, the state procurement officers of the Treasury department, with the advice of the OPM, will direct the shipment of the material to the nearest available smelter holding a defense preference rating.

All over the nation, housewives are sorting their kitchen utensils to select those which they can give to the government in the present national defense emergency. Daly City's aluminum drive has been extended until Friday of this week. According to Arthur Bodien, who is directing the drive locally, Daly City is behind in its aluminum quota.

Pictured above are Daly City leaders and boy scouts as the first big day in the local drive began. Reading left to right, back row, are Councilman Paul G. Selmi, Mayor John J. Fahey, Councilman Edmund Cavagnaro and Bodien. Kneeling in front are five of the scouts who are conducting a door-to-door canvass for aluminum.

Open In-Service Recreation Training

In-service training for San Mateo county WPA Recreation department directors and leaders began, Monday, at the Daly City Recreation office, 101 Parkview avenue.

There were two hours of discussion devoted to problems confronting recreation leaders, after which two hours were spent in a field inspection of Daly City's recreational facilities.

Representatives from Redwood City, South San Francisco, San Mateo, San Bruno, and Daly City were present.

The seminar discussion meeting was led by Arthur Ryan, county WPA recreation supervisor from Redwood City.

The next four Mondays will be used to meet at each of the above-mentioned cities for two hours of discussion and two hours of field inspection.

Formerly, in-service training classes were divided between the (Continued on Page 2)

Bonded Indebtedness Low For This Area

Among all the cities in California, Daly City ranks among the least in per capita bonded indebtedness. The city ranked 227th with a bonded debt of \$39,000 on June 30, 1940, and averaged \$4.05 for each of the 9,625 men, women and children in the city, a study of the per capita debt of California's 286 cities, just completed by California Taxpayers' association, shows.

Indebtedness of the county, school, and special districts, the state, and the federal governments are not included in the figures, the association stated.

Eleven California cities owed bonded indebtedness which amounted to more than \$100 per capita. Six reported bonded debt which averaged less than one dollar per capita. Forty cities showed no municipal bonded debt outstanding on June 30, 1940.

Jimmy Learns About The Law Of Gravity

Jimmy performed a scientific experiment, Monday.

Jimmy Tunstall, small son of Mrs. J. E. Tunstall, 236 Los Olivos avenue, was being treated in Alemany hospital soon after and attempting to explain to his mother how it had happened that a large rock had struck him on the head.

Mrs. Tunstall looked at her bandaged offspring and asked, "Who did it, Jimmy?"

"I did," he replied.

"How?" asked his mother. Jimmy then explained how he had thrown a large rock straight up in the air as hard as he could and how it immediately came down and landed on his head.

"Why did you do that?" asked Mrs. Tunstall.

"I wanted to see if it would stay up in the air," said Jimmy.

Crowds At Fair Applaud D. C. Band

Fifty-two members of the Daly City band, under the direction of George Brenner, truly acted the part of "official band" at the Napa County fair, Saturday and Sunday.

It played to huge crowds which responded as enthusiastically to the music as if the band had been a professional one. The musical organization gave an hour and a half concert, Sunday afternoon, and earned a "big hand," according to Brenner.

On Saturday they played for a pageant, the Cavalcade of Nations at 7:30 p. m. and for the horse show which immediately followed. They arrived back in Daly City at 11:30 p. m. Sunday.

Miss Rose and three majorettes, Darlene Rogentine, Elaine Williams, and Dorothy Lagensand, performed at the fair, as did the Beeson Trio—Tom and Trixie Beeson. (Continued on Page 4)

Lake Merced Country Club Will Be Scene Of Lions Club "Ladies Night" This Evening

One of the biggest and brightest celebrations yet held by the Daly City-Colma Lions club is planned for tonight at the Lake Merced Golf and Country club. It is "Ladies' Night," and Lions and their guests will bring their wives to join in the fun.

The party will start at 7 p. m. The entertainment committee, H. H. Smith jr., Joseph Firpo, and Lee Jorgenson, promise unique and unusual entertainment. In fact it's so good that they are keeping it a secret until the party starts. There will be a banquet and dancing as well.

Council Prepares To Issue Fire Department Bonds

Preparation for the issuance of the "Fire Department Improvement Bonds" was begun, Monday night, by the Daly City board of councilmen at their bi-weekly meeting.

A resolution was passed, drawn up by the city attorney, R. A. Rapsey, indicating the form and nature of the bonds. There will be forty bonds, numbered one to forty, with a denomination of \$1000 each. Four bonds will be paid every year for ten years. The interest rate is not to exceed five per cent, payable semi-annually June 15 and December 15 of each year, starting June 15, 1942.

Exact time when the bonds will be first put on sale has not yet been determined.

In answer to a request from the San Mateo County Defense council, Mayor John J. Fahey, recommended that Arthur Quirnbach be appointed as the local representative to this council. Quirnbach is a chemistry teacher at Jefferson Union high school, and is the newly-elected commander of Daly City Post No. 410, American Legion. The council adopted the mayor's recommendation unanimously.

The county defense council will have administrative authority under state law. All incorporated cities in the county are represented on the body.

Councilman Edmund Cavagnaro moved that one of the two \$10,000 fidelity bonds now covering the city clerk's and tax collector's offices be dropped. The motion was carried.

The mayor reported to the council on a meeting of the Garden club of Garden Village, which he and Cavagnaro attended. They had been invited in order to answer questions about the advisability of that home-section incorporating itself with Daly City. The residents of that section have been considering such an action. The mayor told the group both of (Continued on Page 2)

The accident occurred opposite the Holy Cross cemetery where the 101 highway crosses the streetcar tracks.

O'Brien's automobile was totally demolished. The driver incurred a concussion and various abrasions and contusions. He remained in Junipero Serra hospital one day before going home. The hospital ambulance, driven by Stan Crane, answered the call.

Junipero Serra Treats

the advantages and obligations of joining the city.

In connection with this, the mayor asked Fire Chief A. P. Chesney not to answer fire calls from that section unless it was absolutely necessary, since residents of Garden Village told him that they received the service of the Colma volunteer fire department.

The committee of the Redwood City Fourth of July celebration sent thanks to the council for Daly City's participation in the affair.

The survey being made by the city council, the state highway commission, and the joint San Francisco and San Mateo county highway commissions for the projected cutting through of Hillcrest drive to Junipero Serra boulevard was discussed. This plan was begun two months ago, and is still in its initiate stage. Its purpose is to make easier connections between the boulevard and Daly City.

Cousin Of Local Man
Assassinated In France

Peter Dormoy, 40 Mission circle, heard this week that his cousin, Senator Marx Dormoy, 52, Socialist leader and minister of interior in the French Popular Front government of Leon Blum, was assassinated Saturday at Montelimar, in southeastern France, by a bomb believed to have been planted in his bedroom.

The Daly City Dormoys had not heard from the Socialist leader since 1939. Another relative—a nephew — left France several months ago and now is in China.

Dormoy had been imprisoned for six months by the Vichy regime along with other democratic leaders. He was released recently but had been under close watch.

Dormoy's last act as senator was to vote against giving Marshal Henri Petain full powers to rule as dictator.

Theatre Has New Assistant Manager

That smiling, dark-haired young man who greets patrons of the Daly City theatre these days is the new assistant manager, Anthony Leone—or just "Tony."

He is now "second in command" at the local picture house. Manager is genial Henry Combe. Leone is in charge of the floor staff, the doorman and usherettes, and of the box office.

Silvanes Entertain For Sol Kaiawe

A table decorated in patriotic colors and a huge cake with words of congratulations told of Sol Kaiawe's success upon receiving his second degree as second assistant engineer. Kaiawe at the present time isn't affiliated with any ship. He recently left the ship Lie Loa to study for examinations as second assistant engineer.

The party was given in his honor by Mr. and Mrs. Andie Silvanes and son Richard, 1056 Huron avenue, Saturday evening.

Pete Kalani, brother of the honored guest, motored from Monterey for the gala occasion. The brothers had not seen each other for two years.

Other guests attending the party were: Mrs. Kaiawe, Mr. and Mrs. M. Guererro, Mr. and Mrs. G. Rodriguez, Mr. and Mrs. D. Mercurio, and son David; Mr. and Mrs. J. Santos, Mr. and Mrs. T. Ickenroth, and daughter LaVern; Pat Hoapili, Joe Kawaluna, Pete Zanca, and Mr. and Mrs. Barnes, San Francisco.

John Waiman, Monterey; Babe and Frank Torres, Daly City; Mr. and Mrs. Ray Torres, Sacramento; Miss Anita Guererro and nephew, Dannie, Stockton.

Bob Keely's Song To Be Heard On Air

Robert J. "Bob" Keely, former employee of the Daly City Record, will have a recording of one of his songs played over the air, this weekend. Friday at 6:45 p. m., KQW will present the song, while KJBS is scheduled to play it, Sunday at 3 p. m.

The song, which Keely wrote several months ago, has already been heard by a number of his Daly City friends. He sends word that the two programs on which the number will be heard are voting programs. Every vote cast for his song will materially aid him in having the number published, as the program director has been very enthusiastic about it.

Keely is now a member of the advertising staff of the Burlingame Advance.

SHE'S A MATCH FOR HIM—Sylvia Sidney lets Humphrey Bogart know she can be just as tough as he is, in "The Wagons Roll at Night," new action drama opening tomorrow at the Daly City theatre.

Miss Anita Mooney Is Feted At Many Pre-Nuptial Showers And Parties

"There's nothing as exciting as wedding preparations, especially when your friends fete you at so many surprise showers," said Miss Anita Mooney, popular bride-to-be. She is the daughter of Mr. and Mrs. Edward Mooney, 263 Crocker avenue.

She will become the bride of John Nelson Pitcher, Half Moon Bay, August 16, at St. Paul's Episcopal church, Burlingame.

A lingerie surprise shower was the first party at which she was the honored guest. The hostess of the evening was Mrs. Dorothy Leonard. The party was given at Mrs. Elsie Fuch's home, Colma, on Wednesday, July 2. Mrs. Fuchs is the mother of the hostess.

The table was decorated in the bridal motif, and the refreshments represented tiny bells, rings, cupid and slippers.

Guests attending were: Misses Laura Anderson, Virginia Kyriazi, Marjorie Fuchs, June Volkman, Lillian Cavagnaro, Mary Sheerin, Muriel Mooney, and Mesdames Merrill Buffa, Enid Paoli, Melanee Laugesen, Theresa Tambussi, Lyla Eldrup, Lillian Phelps, Elsie Fuchs and Florence Mooney.

Mrs. Enid Paoli honored the bride-to-be at a surprise luncheon, July 9, at her home.

Standing in the center of the beautifully adorned table was a miniature bride surrounded by sweet peas. Sweet peas were strung on silver ribbon and attached to the lighting fixtures.

After the luncheon was served the group gathered in the living room to hem linen dish towels as souvenirs for Miss Mooney. Each guest embroidered her name on the towels.

Those attending were: Mesdames Maxine Matthews, Vera Millet, Kay Kroeg, Jean Donaldson, Claire Everman, Mildred Everman, Florence Mooney, and Misses Vivian Roberts and Virginia Kyriazi.

A third shower was given in her honor by her aunt, Mrs. Ann Volkman, Moltke street. The party was attended by relatives and old family friends.

The living room fireplace was decorated with a large pink parasol from which hung long streamers attached to miscellaneous gifts of all kinds.

Refreshments were served to 26 at a table decorated in the bridal theme. The centerpiece was a bride with three attendants, on a path of pink crepe paper strewn with sweet peas. Silver wedding bells hung from the lights.

City of San Mateo

Praises WPA Recreation

The San Mateo City Park and Recreation commission last week had words of praise and appreciation for the WPA Recreation program, which has helped every community in San Mateo county, including Daly City.

In the bulletin issued by the commission it said "The WPA has been serving in San Mateo for four and a half years and is now reaching its goal—having our community stand on its own feet in the field of recreation."

WPA has been aiding Daly City's recreation department for three and a half years. There is no local commission as yet.

The bulletin went on to say, "The trend of recreation developed through the WPA commission and other groups has led to development of recreation commissions, enabling ordinances and city recreation directors.

"The community is appreciative of the WPA Recreation program for extending opportunities for the wholesome use of leisure to our citizenry, for leadership in establishing local recreation departments. From this source we look and hope for supplementary leadership and funds to aid us in our infancy. For the WPA program and to the WPA recreation directors, congratulations and our sincere appreciation."

FAMOUS SKATERS IN ICE FOLLIES CAST

Newest and most dazzling edition of the Ice Follies, now delighting thousands in its annual appearance at Winterland, San Francisco, brings together many famous figure skating champions.

More than half of the principal skaters in the spectacular production have earned honors in world competitions.

Osborne Colson, still in his early twenties, won the junior championship of Canada in 1934 and the senior championships in 1935, 1936 and 1937, turning professional two years ago to join the cast of Ice Follies. Frances Claudet, of Ottawa, who is paired with Colson in a new double number, was a champion of the famous Minto club for six consecutive years and was co-holder of the Canadian pair championship. In 1932 she competed under the Canadian colors in the Tenth Olympic games. Both Miss Claudet and Colson, are gold medalists, the pinnacle of the figure skating sport.

Winners of seven important titles, Idi Papez and Karl Zwack have made appearances in more countries than any other Ice Follies stars. Three times they won the Austrian pair title; in 1933 they were European champions and four times, three of them in successive years, they were runnersup for the world title, once coming within .09 of a point of winning.

Other title winners among the Ice Follies principals include: Roy Shipstad, one time United States champion; Evelyn Chandler, another U. S. title holder; and Ruby and Bobby Maxson, Northwest Junior pair champions for a number of years.

Ice Follies has 75 of the best skaters in the United States here for its new production. The blade extravaganza includes 25 spectacular numbers including comedy, colorful group numbers, a series of thrillers and more than a score of well-known stars.

Ice Follies tickets are available for every night at Winterland,

You Want to Be Sure It's Legal, First!

If you've been thinking seriously of making some wine, you had better stop and have a word with J. H. Maloney before you begin.

To make your wine production legal, you must fill out a form that Maloney will give to you. He is district supervisor of the federal alcohol tax unit. His office is in Room 142, Federal Office building, San Francisco.

This will give you the right to make 200 gallons of still wine, if it is not for sale and is consumed only by your family.

DEFENSE BOND Quiz

Q. What is the reason for buying a Defense Bond?

A. To keep America free. To show your faith and pride in your country. To warn foreign dictators that the United States is the strongest country in the world.

Q. But if I do not have enough money to buy a Defense Bond, what can I do?

A. Buy Defense Postal Stamps, on sale almost everywhere. Your postoffice, bank, department store or druggist has them, or can get them for you, at 10 cents upward. Save enough stamps to exchange for a Defense Bond.

Note.—To purchase Defense Bonds and Stamps, go to the nearest postoffice or bank, or write for information to the Treasurer of the United States, Washington, D. C.

Ingrid Bergman To Appear on S. F. Stage, August 4

Ingrid Bergman distinguished Swedish dramatic star, comes to San Francisco Monday, August 4, for a two weeks' engagement at the Curran theater in Eugene O'Neill's classic American play, "Anna Christie." The play is being presented by the Selznick company, under direction of John Houseman and Alfred de Liagre jr.

Miss Bergman, making her first San Francisco stage appearance, was a star in the Swedish theater and on the continent before coming to the United States under contract to David O. Selznick. Last season, in New York, she co-starred with Burgess Meredith in a production of "Liliom" which ran three weeks longer than the original production.

Houseman, co-founder of the famous Mercury theater, and de Liagre, noted for the last ten seasons on Broadway as a producer and director of successes, have selected this as the first of the Selznick season of plays because it is such a rich vehicle for Miss Bergman's extensive talents. She acts in English, French, Swedish and German.

J. Edward Bromberg, star of the Group theater, Jessie Busley, for many years a leading woman on Broadway, and the Selznick company's new male discovery, Damian O'Flynn, are other principals in the cast.

Performance will be nightly at 8:30 p. m. (except Sunday), with the Wednesday and Saturday matinees at 2:30 p. m. The engagement will end on Saturday night, August 16.

More Daly City and Colma people are on vacations this summer! As a matter of fact, the members of The Record staff have read with increasing envy of this family in Mexico and of that couple lazing at Catalina.

Now, the parents of one of The Record's own reporters, Miss Genevieve Price, wire the staff greetings from the highest telegraph station in the world—Pike's Peak! Mr. and Mrs. John H. Price, 211 F street, Colma, are enjoying a two weeks' vacation, touring Utah and Colorado. They have visited the Mormon temples and the Great Salt Lake at Salt Lake City, Utah; they have been sightseeing at Grand Canyon, Boulder Dam, Colorado Springs, Castle Rock and Denver.

Reports Photo Salesman To Police

Complaint of Mrs. Jessie Boswell, 416 Santa Barbara avenue, concerning a photograph salesman was entered on the police record, last week.

According to police, Mrs. Boswell was called on, Thursday, by a woman who offered to enlarge photographs. Mrs. Boswell gave her a baby picture. Next day a man came to the door with the picture, saying that ordinarily the job would cost \$17 but he would do it for \$4.95 if half that amount were paid immediately. When Mrs. Boswell declined this offer, the man, according to the police record, became very insulting and left.

Later Thursday, Mrs. Boswell states that she saw the man selling pictures on Santa Barbara avenue.

The woman was described as about 40, five feet three inches, medium build, light brown hair, and wearing a gray tweed coat. The man was 45 to 50, with gold teeth, a ruddy complexion, hair graying, carrying a brief case, and wearing glasses.

OWL DEFEATS FEDERAL

Their third appearance at Marchbank field this season saw Owl Drug defeat Federal Outfitting 3-1 in a tight, well-played ball game Sunday. The winners are yet to be beaten at the local diamond.

Owl Drug started off the scoring with two runs in the third on three consecutive hits after two were out. Monticello singled. Bellitte singled and went to second on an error, pushing Monticello to third. Then first-baseman Wetmore stepped up and slammed out a double, chasing two runs over the plate.

Federal Outfitting showed signs of a rally in the sixth. Stark began the inning by getting a free pass. Navone struck out. Saeroilli singled. Mezzetta flew out, but DeMerritt doubled, scoring Stark. Heinbackel flew out to end the inning.

Mezzetta, hurler for the losers, knocked a triple in the eighth but died at third when DeMerritt went out.

Perasso pitched good ball for the winners throughout, striking out eight. Mezzetta whiffed only one less.

Petrocchi, third baseman for the Owls, made two sensational stops at the hot corner, robbing the Federals of a couple of extra base hits. The game was played under the supervision of the Daly City WPA Recreation department.

It's A Wonder Dan Came Home!

Dan Cassentini's story when he came back from his vacation trip to Southern California sounded a bit "fishy," but just to prove it was not a tall tale, Dan displayed this snap shot along with many others taken on his 8-day jaunt southward.

Pictured here is none other than the popular movie actress, Ann

Sothorn, taking off her gloves and resting on a pier at Catalina island just after a most successful fishing trip. Miss Sothorn's success (a Marlin swordfish) scaled at 259 pounds!

Among Dan's snapshots also was a fine picture of Jackie Cooper, taken on Sunset boulevard.

Catalina and Hollywood were not the only spots Dan and his companions, Bob DiVita, Mike Ciardella and Archie Rozzi, saw on their vacation. They visited Long Beach, Palm Beach, San Diego, San Bernardino, and other points of interest.

Miss Anita Mooney And Fiance Feted At Surprise Party

A bride-to-be, Miss Anita Mooney and her fiance, John Pitcher, were feted at a surprise kitchen-gadget party, Saturday evening. Host and hostess at the affair were Mr. and Mrs. Joseph Millett jr., 100 Citrus avenue.

The table was decorated with handy gadgets for the prospective housewife. A bride was fashioned from an egg-beater and the potato masher was her groom.

After the opening of the many gifts presented the couple by the guests, a delicious buffet supper was served by their hostesses.

Those attending the party were the honored guests, Miss Anita Mooney and John Pitcher; Dr. and Mrs. C. Everman, Point Ray; Dr. and Mrs. T. Paoli, San Francisco; Mr. and Mrs. John Matthews, Mr. and Mrs. William Marchington, Daly City, and Steven O'Leary.

The wedding date has been set for August 16. Miss Mooney is the daughter of a well-known Daly City couple, Mr. and Mrs. Edward Mooney, 263 Crocker avenue.

Miss Mooney was graduated from the San Francisco State Teachers college, and has held a position as a local grammar school teacher.

Senior Girl Scouts Plan Dessert Whist

If you haven't already a date for Tuesday, August 5, the Senior Girl Scouts cordially invite you to attend their dessert whist. According to the reports from the committee in charge, there are going to be "oodles" of prizes, a delicious door prize (home made cake), and lovely refreshments.

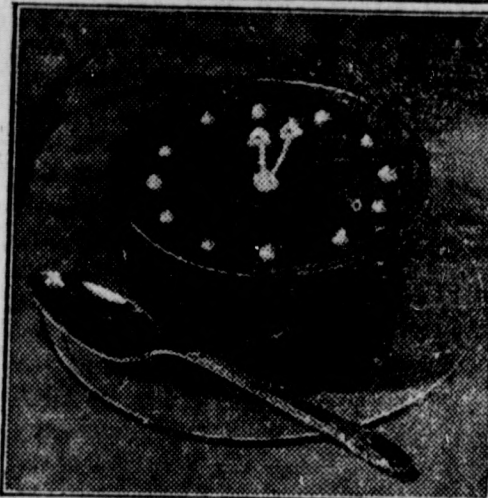

The girls have scheduled their party for 12:30 p. m. at the home of their leader, Mrs. Lyl Ingersoll, 439 Crocker avenue.

Proceeds from the party will be used to help build up the treasury, and defer expenses of a week-end trip the girls have scheduled for the near future.

Tickets for this event may be secured from any of the senior girl scouts, or by calling the chairman of the day, Miss Anita Ryan, Delaware 0917. Assisting Miss Ryan with the party plans will be the Misses Mary Lou Becker and Dorothy Kampa.

All the girls will assist the committee in serving the refreshments.

Time To Dine

An unusual dessert never loses its appeal. Here is a rennet-custard novelty that is rich enough for a dinner dessert, light enough for a midnight snack, healthful enough for anyone and delicious enough for everyone.

If midnight lunch is to be served, set the piped frosting clock hands at 12 o'clock. If it is a 4 o'clock Bridge luncheon, let your frosted hands point to that hour — and serve on schedule to make the dessert more appealing. Variations in the piped frosting are "Happy Birthday," or the first name of each guest. This delicious dessert calls for no eggs, no baking and no boiling — a hot weather treat that may be made in the cool of the morning and presented at the proper hour.

Clock-face Rennet-Custard

2 cups milk (ordinary or homogenized)

1 package chocolate rennet powder

White butter frosting or whipped cream

Set out 4 or 5 dessert glasses or custard cups. Warm milk slowly, stirring constantly. Test a drop on inside of wrist frequently. When COMFORTABLY WARM, (120° F.), not hot, remove at once from heat. Stir contents of package chocolate rennet powder into milk briskly until dissolved — not over one minute. Pour at once, while still liquid, into individual dessert glasses or custard cups. Do not move until firm — about 10 minutes. Chill in refrigerator. Just before serving, garnish by piping frosting through pastry tube or whipped cream on surface to represent the face of a clock; dots to represent numbers, with hands pointing to twelve o'clock. Serves 4 or 5.

Friends Honor Two Sisters At Parties

Two sisters, Miss Gloria Pinochi and Mrs. Loretta Maffei, were feted at separate surprise parties, last week.

Mrs. Pinochi, 167 Mateo avenue, Colma, was given a party by her parents, Mr. and Mrs. L. Pinochi, last Monday.

Numerous friends and relatives were present to wish her "many happy returns of the day." The table decorations and three beautiful birthday cakes were made by a friend of the family, Mrs. Thomas Stanghellini.

Mrs. Maffei, 70 Cavour street, Daly City, was surprised, Thursday, when she answered the door bell to find many of her friends and relatives, laden down with birthday gifts and refreshments.

The party was given by her husband, Peter, to celebrate her twenty-first birthday. Table decorations, favors, and cakes were also made by Mrs. Stanghellini.

Guests attending both affairs included: Mr. and Mrs. Thomas Stanghellini, Mr. and Mrs. Urbano Maffei, Mr. and Mrs. Gene Graziani, Bob Graziani, Arturo Rossi, Doris Degliantoni, Mary Picchi, Mario Graziani, Dena D'Elia, Steve Maffei, Louie Maffei, Stella Maffei, Mr. and Mrs. Picchi, Mr. and Mrs. Joe Maffei, Mr. and Mrs. Leonard Graziani.
